

Native Plant-focused Landscaping Services in CNY

Need help designing, installing, or maintaining your landscape? You can create habitat for wildlife and a healthier planet simply by planting native plants. But if you're unsure of what to plant in your yard or how to design an attractive landscape, these CNY landscapers can help. Some even provide maintenance services.

IMPORTANT: Emphasize that you're interested in **NATIVE plants** - especially **plain species rather than cultivars**.
